COLOR: WHITE/BLACK

MILEAGE: 102800

INTERIOR COLOR: BLACK

TRANSMISSION: AUTOMATIC

ENGINE: 3.7L V6 DOHC 24V

MPG CITY: 19

DESCRIPTION/OPTIONS: Very comfortable and smooth handling 2012 Ford Mustang Coupe. 20-29 MPG average depending on how it is driven. It is my personal vehicle and I have owned and maintained since December of 2019. It has the Comfort Package and the Pony Package. Automatic 6 speed transmission. It has the 3.7 V6 engine that produces just under 320 HP with the currently installed K&N cold air intake... 305 HP stock. Everything else is factory. Remote start. Heated black leather seats in like new condition. Seats 4. The back seats fold down for more trunk space if needed. Never driven in the winter and parked in a (heated/winter) and (humidity controlled/summer) garage year round. All it needs is a set of 4 tires for a new inspection sticker in the current condition. The asking price includes 4 brand new tires and a new inspection sticker. This Mustang comes with a clean title and a clean accident free Carfax in hand. Lots of new parts since I bought it. Records available. It runs and drives great and a set of new tires will make it ride even smoother. Current tires are worn perfectly even which is a great sign of how the vehicle has been maintained. Current tires fail for inspection. Give Zack a call at 207-320-9515 about any questions or to schedule a time to check it out. Test drives limited to serious buyers with cash in hand. Come check it out!
