DESCRIPTION/OPTIONS: This 2011 Ford F-250 XL 4WD drives just about like new. It has a Boss plow frame on it and wiring for the plow already connected, but no plow... I dont think it was plowed with much considering it just came up from Maryland, and where it was previously titled in Maryland as well. This truck comes with 4 new Cooper truck tires, a new inspection sticker, a clean title, a 30 day temp plate and a warranty. It was also just fully serviced and reconditioned.
